4. The speaker was happy and excited.

B. 1. Krish was reading the 'travel and leisure' section of the newspaper. Pranita was solving a sudoku puzzle. The family encouraged reading and intellectual activities. They loved to travel.

2 Pranita didn't seem very happy with the idea. She gave him a hard stare and said that his request might not be granted as their father didn't want to do anything exciting.

3 Mrs Sinha was going to Swaraj Dweep to inspect a marine project. The rest of the family accompanied her.

4. Ravi was a tourist guide and lifeguard for the guests at the guest house.

5. The dolphins splashed water and made giggling and clicking sounds. They also put their snouts on the edge of the boat to show that they wanted some fish. They ate the fish that Mr Sinha fed them. When Mr Sinha dived into the water to swim with the dolphins, Dilly the mother dolphin swam under him and gently lifted him onto her back.
