Sub:English Writing

Paragraph Writing

1. Write a paragraph on the topic ‘A Museum’ in 120 to 150 words.

A Museum

A museum is a large building where objects of historical, artistic, and scientific importance are kept safely for people to see and study. It preserves things from the past so that we can learn about our history and culture. A museum is truly a place of learning for people of all ages.

There are different types of museums, such as historical, art, science, and natural history museums. An art museum contains beautiful paintings and sculptures made by famous artists. A science museum displays models of rockets, planets, and old inventions. A historical museum shows old coins, clothes, weapons, and manuscripts from ancient times.

When we visit a museum, we should walk quietly and not touch any exhibits. Photography may not be allowed in some sections. India has many famous museums, like the National Museum in Delhi and the Salar Jung Museum in Hyderabad. Almost every big city has at least one museum. Visiting museums increases our knowledge and makes learning fun. We should visit them with our teachers and parents.

2. Write a paragraph on the topic 'A Visit to a Zoo' in 120 to 150 words.

A Visit to a Zoo

A zoo is a very interesting and educational place where wild animals and birds are kept in safe enclosures for people to see. It helps us learn about animals that we cannot see in our daily lives. People of all ages, especially children, love visiting a zoo.

Last Sunday, I visited the zoo in my city with my family. It is a very big and clean zoo with many green trees. There are different sections for different animals. We saw lions, tigers, elephants, giraffes, zebras, and bears. The monkeys were jumping from one branch to another and making everyone laugh. We also saw colourful birds like parrots, peacocks, and ducks. During winter, many migratory birds also come to the zoo.

As we entered, the chirping of birds welcomed us. We heard the loud roars of lions and the trumpeting of elephants. The lazy crocodiles were sunbathing near the pond. Zookeepers take good care of all the animals and feed them on time. I really enjoyed my visit to the zoo and learned many new things about animals.
