A. RTC-

1. Ling did not have any plant because the seeds that the emperor had given were boiled and could not grow, no matter what he did.
2. Everyone else had replaced the seed given to them by the emperor with a new one and had managed to grow great plants, trees, and flowers.
3. Ling was honest and courageous, and the emperor rewarded Ling by giving him his throne and making him the new emperor.

B. Answer the following questions briefly-

1. Ling thought he was a failure because he believed that he had killed his seed as it did not grow into a plant.
2. On the day of inspection, Ling's mother advised him to be honest as he had nothing to fear.
3. Ling chose to stay behind everyone because the others had produced a variety of plants. Ling, on the other hand, had failed in the task and was scared that he would be punished.
4. Ling was terrified when the emperor called him to the front as he was sure that the emperor would have him killed for being a failure.
5. The emperor was surprised to see the plants brought by the others because the emperor had given them boiled seeds. He knew that it was impossible for plants to grow from boiled seeds.
6. The emperor was looking for a successor who was honest and courageous.
