**Descriptive Paragraph on an Event**

### **Annual Sports Day**

**Last month, our school celebrated its Annual Sports Day with great enthusiasm and excitement. The event was held on the school playground, which was beautifully decorated with colorful flags, balloons, and banners. Students, teachers, and parents gathered there early in the morning. The pleasant weather added more joy to the occasion. The program began with the welcome speech by the Principal, followed by the march-past by the four school houses. The students looked smart and confident in their uniforms.**

**Many interesting races and games were organized during the event such as the 100-meter race, relay race, sack race, and tug of war. The cheering of the audience filled the atmosphere with energy and motivation. I especially enjoyed the relay race because all the participants showed great teamwork and sportsmanship. The teachers also took part in a fun race, which made everyone laugh and clap loudly. Winners were awarded medals and certificates by the chief guest.**

**The most memorable part of the event was the closing ceremony when the school band played and all the students applauded the winners. The Sports Day taught us the importance of discipline, hard work, and team spirit. It was a joyful and unforgettable event that left everyone with happy memories.**
