Q1. Khushwant Singh uses vivid imagery to paint a portrait of his grandmother using words rather than a paintbrush. Create a 'Memory Scrapbook' project from the perspective of either the grandson or the grandmother. Your project must visually and textually map out the journey from the peaceful village life to the isolated city life, culminating in the poignant farewell by the sparrows. Include key quotes, thematic drawings/images, and a personal reflection on the emotional impact of the story.

For roll numbers (16-30)

Q2. Create an illustrated 'Summer Journal' or Comic Strip from the perspective of either Aram, Mourad, or the farmer John Byro.
